8. The work will be executed strictly in accordance with the electrical specification, approved drawing and design of the Nigam/relevant IS. In case any dispute on any point arises, the decision of Chief Engineer /TS, HVPNL, Panchkula shall be final and binding on the contractor. Drawings / Specifications / Rates Quoted by the firm can be seen in the office of XEN /TS Division, HVPNL, Rohtak on any working day.
9. The competent authority having delegation to decide the allocation of works reserve the right to reject any or all the quotations without assigning any reason.
10. The quantum of work can be increased or decreased or amended as per requirement without giving any reason subject to (+/-) 20%(Twenty Percent Plus/minus) of total contract value.
11. In case the progress of work does not commensurate with the target date. The part/balance work will be taken out from the contractor and will be allotted to other or do departmentally at the risk and cost of the contractor without giving any notice. The schedule and the PERT chart of the work shall be worked out mutually by HVPNL and the contractor and the same shall be adhered to.
12. The contractor has to abide by the rules of the minimum wages as notified by the District Commissioner, Rohtak..
13. **ARBITRATION:** - If the dispute question or controversy arises, the settlement which is not therein specially provided between the HVPNL and the contractor relating to this contract or the portion of the same or the right or duty's or liabilities of either party then in every such case, the matter in dispute shall be referred to the sole arbitration of Managing Director, HVPNL, Panchkula or his nominee and the decision of the Arbitrator shall be final and binding on both the parties. The provisions of Indian arbitration Act, 1940 as amended from time to time shall be applicable to such arbitration proceeding
14. All the work shall be carried out by the contractor up to the full satisfaction of XEN / TS Division, Rohtak / SDO / Const. Sub Division, HVPNL, Rohtak or any higher authority of the Nigam.
15. The contractor undertakes by signing the quotation that in case of any miss-happening, breakage /damage to the equipment, accident of the person engaged by the contractor, the contractor shall be solely responsible for the consequences and remain indemnified or any type of compensation, loss & expenses etc. HVPNL will not be responsible in any case.
16. To cover liability under Workman Compensation Act, the successful bidder will take Group Insurance of workers before commencement of work.
17. Contractor shall be responsible for the conduct of the workmen as per law of land. The contractor shall withdraw the delinquent workers immediately on being asked in writing by the empowered officer.
18. No labor below the age of 18 years shall be deployed by the contractor on the works. The contractor shall allow weekly rest as per labour act without extra charges to the Nigam on this account.
19. Any excess payment made to the contractor inadvertently or otherwise under this contract or any account what so ever and any other sum found to be due to Nigam by the contractor in respect of his contract or any other contract, or work order or any account whether may be deducted from any sum what so ever payable by Nigam to the contractor and in respect of his contract or any work-order or contract or on any other account by any other department of Nigam.
20. The contractor shall make all the arrangements for safety of the staff. HVPNL shall not be responsible in any way for any injury/disablement accident to any workman in this account and will be free from

- any legal bindings in this regard. HVPN will not be responsible to pay any damage to the workers of the contractor or any outside agencies. Before carrying out the work, it shall be entire responsibility of the contractor to take all the safety precautions and shut down etc. if required during the execution of work.
21. **Force Majeure:** - The Supplier shall not be liable for any loss or damages due to delay in manufacture or delivery of the material for reason arising out of compliance with regulations, orders or instructions of central /state Govt. of natural calamities like fires, floods Acts of Civil & military authorities strike, lock outs freight, Embargoes, war risks, riots and civil commotion as well as non-availability of Shut down & non-availability of material at Nigam System.
 22. Transportation of material and major T&P will be provided by Nigam. The contractor shall give a receipt of all the material issued by HVPN. The contractor will make necessary arrangement for safe and sound custody of material. The contractor will return all non-consumable items that are supplied by HVPN to the stores of HVPN in good condition after the completion of work. All the damage caused to these will be deducted from contractor's bill.
 23. The detailed scope of the work can be seen in the office of XEN / TS Division, HVPNL, Rohtak.
 24. Contractor will acquaint himself with the scope of the work by visiting at site, if required.
 25. Before carrying out the work, it shall be entire responsibility of the contractor to take all the safety precautions and shut downs, etc. if required during the execution of work. All shut downs will be taken by HVPNL supervisory staff but contractor's representative will give request in writing.
 26. The contractor has to execute the work on working days during the working hours. However, if required, the work can be executed on holidays but contractor shall be adhered to labour laws.
 27. **Extension of time:** - If the contractor desires an extension of the time for completion of the work on the grounds of un-avoidable hindrances in its execution or on any other ground, like non-availability of shut down and material etc. He shall apply in writing to XEN / TS Division, HVPNL, Rohtak on account of which he desires such extension as aforesaid and the CE/SE/XEN empowered for the award of work shall consider the proposal of extension of completion period on merits and his decision shall be final.
 28. **Contractor liable for damage & for imperfect work:-** if any damage happens to the work while in progress, from any cause whatsoever or any imperfection become apparent in it after a certificate of final or of its completion have been given by the Engineer in charge as aforesaid, the contractor shall make the same good or Engineer in charge may make the same good by other workman and deduct the expense from any sum that may be then or at any time thereafter may become due to the contractor or from his security deposit, of which the certificate of the Engineer-in- charge shall be final.
 29. The stipulated completion period has been given in good faith. However the contractor has to complete the work in minimum possible time by providing parallel gangs as per site requirements on the direction of Engineer-In-charge at site, otherwise poor performance may be recorded.
 30. The successful tenderer shall have to execute an agreement on a non-judicial stamp paper of Rs.100/- within 15 days of the receipt of the work order, failing which it shall be presumed that work order along with the its terms & conditions is acceptable to the contractor and shall be binding upon the contractor. However. The completion period shall be reckoned from the 7th day of issue of the Work order or date of receipt of the order whichever, is earlier. The draft of the Contract Agreement is placed at Annexure-C.
 31. Extra items, if any which are not included in the contract will be paid at the rates contained in Haryana schedule of rates 1998 plus/minus the tendered premium/abatement, where the rates for non-agreement items does not exists in the said schedule of rates, the same shall be determined by the analysis and Executive Engineer (Engineer- in-charge) will sanction the rates provided the total amount of all such items under one contract is within his competence to accord sanction. When the total amount of all such items under one contract exceed his financial limit he shall refer the matter to the Superintending Engineer who will sanction the rate if the total amount of all such items including those already sanctioned by the Executive Engineer is within his power to accord technical sanction otherwise the matter will be referred on the Chief Engineer who has full powers to sanction such rates.
 32. The work can be increased/decreased as per site requirement. Any item may vary upto any extent. Any item can be deleted without assigning any reason. The decision of the Executive Engineer –in-charge will be final in this regard. Contractor will not have any claim, what so ever for deletion any item (given in the schedule of quantity).Quantities given in the schedule of quantities are tentative & may vary up to any extent .However overall variation in cost of work shall not be exceeded 20% of the contract cost.
 33. After the implementation of the GST w.e.f. 01.07.17 GST as applicable on work contract shall be borne by the HVPNL will be paid to the contractor having GST No. If any contractor has not been allotted GST No. the GST shall be deposited by HVPNL under reverse mechanism.
 34. 2% TDS for GST as applicable and as per instructions shall be deducted from the bills of contractor & same shall be deposited by the HVPNL.

**XEN /TS Division,
HVPNL, Rohtak.**

ADDITIONAL TERMS & CONDITIONS.

(These additional term and condition should be read and construed along with general condition of the contract of annexed form A. In case of any conflict of general condition in the annexed A the provision in the additional condition shall prevail)

1. **Qualifying criteria:** - The bidder should fulfill the following qualifying criteria. In order to assess the bidders eligibility against this tender, a copy of following may be supplied with the tender documents.
 - a) Copy of valid EHT License issued by Chief Electrical Inspector, Govt. of Haryana, Chandigarh or undertaking of licensee for supervision of work.
 1. A copy of work orders placed on the firm along with their successful commissioning / performance certificates to ascertain that they have executed similar type of work (66 KV & above).
 2. A copy of PAN No, GST No, EPF Registration No, ESI Registration No. and Income Tax Returns for the last three years.
 3. A copy of valid Labour License.
2. The bidders not found meeting with the qualifying criteria as mentioned above, their tenders shall be rejected out rightly and their price bid shall not be opened. The price bid of qualified bidders only shall be considered and opened for comparison / award of work after negotiations by the designated committee.
3. Taxes not claimed shall not be paid. However shall be deducted as per statutory requirement.
4. Earnest money equivalent to the specified amount, prescribed in the NIT i.e. @ 2% of the JOB ORDER COST is required to be submitted along with the tender documents. No tender shall be considered unless accompanied by the earnest money.
5. In case of opening day is holiday/closed day, opening date may be treated as the next working day or can be postponed by the officer tender opening authority.
6. Conditional tender shall not be accepted and liable for rejection.
7. The accepting office reserve the right to reject any or all the tenders without assigning any reason whatsoever.
8. Rates should be quoted keeping in view the site conditions of work. The offer shall remain valid for 90 days from the date of opening of tender. It may be noted clearly that the validity period is un-negotiable and deviation from the same can put the tender liable for rejection. No fluctuation in market rates from the date of tender shall be considered valid and neither any claim on this account will be entertained.
9. Extra items, if any which are not included in the contract will be paid at the rates contained in HVPNL Schedule of Rate Plus /Minus the tendered premium/abatement, where the rates for non-agreement items does not exist in the said schedule of rates, the same shall be determined by analysis and Executive Engineer (Engineer-in-charge) will sanction the rates provided the total amount of all such items under one contract is within his competency to accord sanction. When the total amount of all such items under one contract exceed his competency to accord sanction. When the total amount of all such items including those already sanctioned by the Executive Engineer is within his power to accord technical sanction otherwise the matter will be referred to the Chief Engineer who has full powers to sanction such rates.
10. The individual quantity of work can vary to any extent but overall variation in cost shall not exceed 20% of contract cost on either side.
11. The Nigam reserve the option to make away any items of the work or part there of any time during the currency of the contract and reallocate to another agency with due notice to the contractor without liability or compensation.
12. The Nigam reserve the right to delete any items from the contract as well as from the comparative statement while comparing the rates with the estimate as well as with other tenders for which the department feel that the rates have been tendered on the higher side.
13. The rates quoted for each item should be indicated in figures as well as in words in such a way that interpolation is not possible. The tenderer shall initial all correction/insertions and sign all pages of his tender including specification and drawings. Noncompliance of this condition may tender it liable rejection.
14. On acceptance of tender, the name of authorized representative(s) of the tenders, who would be responsible for taking instructions from the Engineer-in-charge and making compliance, shall be communicated in writing with his signatures duly attested by the tenderer.
15. It is presumed that tender has made himself thoroughly conversant with drawings, specification and site conditions before tendering for the work and no claim whatsoever shall be entertained on this account.
16. All work executed shall be paid according to measurements taken by and under the order of the officer in charge of the work and not according to the quantity given in any estimate.
17. Failure of the department representative to disapprove work shall not prejudice the power of the Engineer-in-charge thereafter to disapprove such work or material and to order for the pulling down, removal or breaking up the work. If the contractor is dissatisfied by reason on any decision of the departments representatives he shall be entitled to refer the matter to the Engineer –in-charge, who shall there upon confirm or reverse such decision.
18. In case of any discrepancies between description of work and figures quoted by tenderer the description of a work and figures quoted by tenderer the description in works shall prevail.
19. No claim on account of fluctuation of price due to war of any cause shall be entertained, no claim for any labour having been rendered idle on account of stoppage work or any other reason shall be entertained subject to the provision of clause.
20. If the contractor fails to commence the work within one month of stipulated date of commencement, his earnest money will be forfeited and no claim whatsoever will be entertained besides imposing other condition of risk purchase covered under tender enquiry.
21. **Temporary Work:** All work of temporary nature in the working area wherever required shall be the responsibility of the Contractor and all costs toward the same shall be deemed to have been included in the quoted rates.
22. **Physical Obstructions and conditions.** If during the execution of the works on site the contractor encounters physical obstructions or conditions, which could not reasonably have been foreseen by the contractor/employer, the employer shall certify, and those shall be added to the contractor price and the additional cost of complying with any instruction which the employer, after due consultation with the contractor issues to the contractor in connection therewith.

SCOPE OF WORK

Name of work: The Walk way, Preliminary and Detailed survey for various lines i.e. 220/132 KV under XEN TS Division HVPNL Rohtak.

Sr. No.	Name of Line	Approximate Length of line in KM	Estimated cost (Taxes Extra) in Rs.
1	Creation of 132 KV S/C line mainly through overhead arrangement with 0.4 Sq. inch ACSR conductor on D/C tower & partially through 132 KV 1 Corex 1200 sq mm AL XLPE underground cable (3+1 No.)No. from 132 kV sub station Bhanderi to 132 kV sub station Gohana (approval code-1L3580*) during the year 2020-21.	11.00	101169.00
2	Breaking of Existing T-off arrangement of 132 KV S/C Dadri-Bahu-Dhaninda near 132 KV S/Stn. Bahu by creating LILO arrangement at 132 KV S/Stn. Bahu.(approval code-1L2488*) during the year 2020-21.	1.00	11243.00
3	Creation of 132 KV S/C line from 132 kV sub station Sampla to 132 kV sub station Ausodha (approval code- 1L2972*) during the year 2020-21.	15.00	136139.00
4	LILO of 220 KV S/C Kabulpur-Rohtak line, partly on multi ckt. towers (length 1 KM approx.) and LILO of 220 KV S/C Kabulpur-Sampla line, partly on multi ckt. towers (length 1 KM approx.) at proposed 220 KV Sub-station Nonand (approval code-2L3469* & 2L3470*) during the year 2020-21.	1.00	11243.00
5	Creation of 132 KV D/C Nonand-Kharkhoda line,partly on multi ckt. towers (New design) from Nonand by using existing ROW of 132 kV S/C Sec-3 Rohtak-Kharkhoda line (approval code-1L3471*) during the year 2020-21.	21.00	188595.00
6	Creation of 132 KV D/C Nonand- Sec-3 Rohtak line,partly on multi ckt. towers (same multi ckt towers which are to be used for 132 KV D/C Nonand-Kharkhoda line) using existing ROW of 132 kV S/C Sec-3 Rohtak-Kharkhoda line(approval code-1L3472*) during the year 2020-21.	17.00	153624.00
Total Estimated Cost (Taxes Extra) in Rs.			602013.00

The names of lines with detail of work/scope activity is given below –

- 1 Creation of 132 KV S/C line mainly through overhead arrangement with 0.4 Sq. inch ACSR conductor on D/C tower & partially through 132 KV 1 Corex 1200 sq mm AL XLPE underground cable (3+1 No.)No. from 132 kV substation Bhanderi to 132 kV substation Gohana (approval code-1L3580*) during the year 2020-21.**

A. Schedule Items			
Sr. No.	Description of work (Activity)	UNIT	Qty. in KM
1	Walk way survey (5km /day)	KM	11
2	Preliminary survey(3 km/day)	KM	11
3	Detailed Survey (1 KM/Day)	KM	11
B. Non-Schedule Items			
Sr. No.	Description	Unit	Qty.
1	Hiring charges for Total station TS equipment for surveying	Per day	11 days
2	Hiring charges of Pegs, marker etc. for surveying	Per day	11 days
3	Cost of drawings sheets, papers, Ammonia sheets , Computer jobs etc.	Nos.	01 Nos.

- 2 **Breaking of Existing T-off arrangement of 132 KV S/C Dadri-Bahu-Dhaninda near 132 KV S/Stn. Bahu by creating LILO arrangement at 132 KV S/Stn. Bahu.(approval code-1L2488*) during the year 2020-21.**

Complete address**

Note:

- Any statutory taxes / duties claimed must be indicated separately.
- The survey rate of the items not specified above, but required for completion of the above job must be indicated separately.
- Required material and its transportation at site shall be provided by HVPNL. However, the T&P required for erection shall be arranged by the contractor himself.
- It should be specifically noted that the payment will be made for the quantity actually survey as per the site conditions. If any activity mentioned in the price bid for survey of the line has not been carried out the payment will be deducted proportionally as per HVPNL rate from the work order price of that activity.
- The quantity of individual item can be increased /decreased as per site requirement.
- The bids shall be compared on the basis of total prices for the entire scope as given in Price bid.
- The evaluated bid prices of all the bidders shall be compared among themselves and as a result of this comparison, the lowest bid emerging after negotiations as per Policy in vogue will be selected for award of the contract.
- The discount arising out of negotiation will be proportionally adjusted on all the items indicated in the price schedule.
